## INDIANAPOLIS, MONDAY MORNING, JULY 29, 1895.

promotion on the police force, well knowing  
that the charge specified against Haze  
was true and established by competent and  
credible testimony. Haze was dismissed  
for a number of questionable transactions,  
but not till Strickler exhausted his pull to  
retain him. The charge further alleges that,  
on the 25th day of June, the Board of Fire  
and Police Commissioners elected Martin  
J. White, of Chicago, to the position of  
chief of police of the city of Omaha; that  
knowing the action of the board in the  
premises, Strickler did at times  
after White had entered on the duties of  
his position as chief of police, publicly de-  
clare that White had no right to perform  
the functions of chief of police and his au-  
thority as such could be legally resisted by  
police officers and parties arrested for vi-  
olations of the law. Strickler caused to be  
published an interview in which he de-  
clared that White was personating the  
chief of police without authority, and in-  
citing sedition to the authority of the  
chief of police by criminals and destroying  
the discipline of the police force.

**STANFORD UNIVERSITY.**  
Palo Alto Stock to Be Sold to Keep  
the College in Funds.

SAN FRANCISCO, July 28.—Mrs. Leland  
Stanford has been at Palo Alto consulting  
with President Jordan about the opening of  
Stanford University in September. Mrs.  
Stanford's finances will not permit her to  
expenditure the large sum of \$200,000  
suggested by the board of trustees, but she  
will be able to furnish money to run the  
institution on the same plan as last  
year. Mr. Jordan has submitted estimates  
showing that the university can be con-  
ducted without impairing its efficiency  
for \$100,000 a month. Mrs. Stanford, in  
order to raise the money will sell off the stock  
of the Palo Alto ranch. There are now on  
the farm six hundred head of cattle and  
auction sale will be held in New York and  
another in San Francisco. The income  
from Palo Alto will be used to keep the  
university going, and in order to keep it open  
Mrs. Stanford has been obliged to mortgage  
some of her railroad bonds, and the same  
course will be necessary to secure funds for  
the support of the university during the  
coming year. It is understood that Mrs.  
Stanford is now negotiating a heavy loan  
on bonds of the Southern Pacific of Arizona  
and New Mexico. Owing to this financial  
embarrassment, Mrs. Stanford is very  
anxious to have the government suit  
against the estate settled as soon as pos-  
sible. It is understood that the counsel  
will reach an agreement with the court  
of appeals at a very early date.
